- Each participating team must have an adult coach on the bench.
- All teams must register by the 10/16/23 deadline to be eligible to participate. No late registrations will be accepted.
- Game times are approximate, games will begin following the conclusion of prior game, please be at designated court at least 15 minutes prior to game time.

Game Play:

- The winner of a coin toss will receive first possession.
- All games will be twenty (20) minutes in length with a continuously running clock. Each team will be allowed two (2) one (1) minute timeouts per game. With one (1) timeout available per overtime session if needed. Clock will stop for timeouts, injuries and officials discretion only.
- The game will be played on a half-court, and thus normal boundaries are played on all three sides. The fourth side will be the mid-court line.
- After a defensive rebound, the ball must be cleared to any point beyond the top of the key before the team is considered to be "on Offense." This rule will hold true even following a shot, which does not touch any part of the basket (ie. "air ball).
- In case of a dead ball, the ball will be "checked" into play from the top of the key.
- The three-point line is NOT in effect. All baskets will be counted as one point.
- In case of a jump ball, alternate possession rules apply.
- Teams are allowed up to six (6) fouls **per game** with no penalty, even if the foul is committed in the act of shooting.
- The seventh (7th) and all subsequent fouls, will result in one point being awarded to opposing team. Fouling team will then receive possession of the ball. In the case of an offensive foul, no points will be awarded, the result is just a change in possession.
- If a player is fouled in the act of shooting and the basket is good, the foul is counted against the offending team and the basket is counted without any additional points being awarded. If shot is missed, normal foul rules apply.

- If a team member (including coaches, parents and/or players) is deemed to have acted in an unsportsmanlike manner towards another player or official, two (2) points will be awarded to opposing team and possession of the basketball. In cases of extreme behavior, team may be forced to forfeit game and/or subsequent games as determined by tournament officials.
- In case of a tie game following the twenty (20) minute game time, a three (3) minute running clock overtime period will be played. Additional overtime periods will be played as necessary to determine a winner. Each team will receive one (1) one (1) minute timeout per overtime period. Unused timeouts from regulation will not carry over into the overtime periods.
