**Game times are: 7:15, 7:45, 8:15, 8:30**

If we should have weather that cancels games, we will do our best to find make up dates but due to limited gym space there is no guarantee that we will be able to make the missed games up. If school dismisses early due to weather there will be no volleyball.

There will be a double elimination tournament beginning 1/22, 1/29, and other tournament dates: 2/5 (if needed), teams will be breaking up into 2 divisions for the tournament an upper and lower division.

These divisions will be created according to win/loss records.

Please be on time (this means early, start time is late) so we can keep games moving and not fall behind schedule, failure to have your team ready to play within the first 5 minutes of your game time will result in a automatic forfeit. On your second late start you may be dismissed from the league, with no refund. We have limited time and gym space so please let's make the most of the time and space we do have.

**Games will start early if both teams are ready, so it's recommended that you not leave the gym facilities till your night is complete. Remember score keepers are NOT referees, they are just keeping score, and you are responsible for making your own calls.**

You will find the league schedule below, rules on the GAC website [www.goodlandgac.com](http://www.goodlandgac.com), please call Tess 785-443-1672 or 785-890-7242 if you have questions or need to forfeit a game  
Have a great season!
