

A Special meeting of the St. Francis Public Building Commission was called on Friday, July 13, 2017. The purpose of the meeting was to discuss the delayed opening and the effects on the soft and grand openings. The meeting was called to order at 5:40 P.M. by Vice-President Holly Hingst. Members present were Susan Dinkel, Penny Gienger, Roger Jensen, Carla Lampe and Bruce Swihart. Attorney Mike Day came late.

Carrouter's Construction had adjusted the opening date, stating the need for 3 more days to complete the pool's opening.

It was decided to not plan any grand opening until Carrouters has given the OK that the pool is ready. Board members agreed allowing the public in as soon as possible was a priority since the old pool was closed. A grand opening will be planned at a later date, possibly the 29th or the Saturday afternoon of the fair. No further decisions were made.

Roger moved and Penny second to adjourn. Meeting adjourned at 5:55 P.M.
