

TRI STATE ROYAL CHAMPION OF CHAMPIONS

This is a full fit show.

ELIGIBILITY:

Animals shown in this show must be Grand Champion winners in the respective class they enter at their county 4-H/FFA livestock show/fair. Exception: If the Grand Champion is unable to attend the Reserve Grand champion may participate instead.

Each county may only have one representative per class.

County Fair Judges should choose ONE Showmanship per species to be Tri State Royal representative within their county from their Showmanship age division winners. Showmanship class is one only (all ages) per species. There is NOT a separate Junior, Inter, Senior. Your County Fair Judge will need to choose ONE showmanship representative to attend the combined showmanship class/per specie at Tri State Royal.

There are no separate classes for breeds or ages in any specie. Your County fair judges should choose only ONE from your group winners.

The other counties will take champions from each age group or breed or market and have your judges choose ONE ONLY/per specie to be the county representative at Tri State Royal. Please prepare while your judges are in the ring of each species to save further conflicts at our show.
